Afterword

My previous work, "Barairo no Kenkyuu to Hanakarafu Kimi" was compiled at the same time that I was drawing "Asa to Mitya." After drawing the short piece, "Asa to Mitya—6 years ago—Kiniro no Ito de Gyuugyuu" ("Asa and Mitya—6 years ago—Packed with Threads of Gold"), I decided to do a series focused on their past, what shape their lives took up until that point. It was the first time I had done a project that so resembled deep-sea diving. While anticipating a work for each character's future, I think I'll aim for happy endings.
